Excerpt from Present-Day Conditions in China: Notes Designed to Show the Moral and Spiritual Claims of the Chinese Empire The Object of the following pages is to give in brief outline, not for the specialist but for the general reader, some particulars of the great and rapid movements which are taking place to-day within the Chinese Empire. Nearly every event referred to has happened within the last twelve or fifteen months. This fact alone reveals the rapidity and importance of the changes which are at present in progress. The chapters though only notes are designed to show the claims of China upon the sympathy of those who desire the moral and spiritual welfare Of the Empire. If they lead the reader to a more careful and thorough study of one Of the greatest movements Of history, and to deeper interest in and sympathy with the Chinese people, and to efforts and sacrifice for their evangelisation, the Object of this publica tion will have been realised.
