

The Grimjinx Rebellion (Paperback)

By Brian Farrey

HarperCollins Publishers Inc, United States, 2015. Paperback. Condition: New. Brett Helquist (illustrator). Reprint. Language: English . Brand New Book. Fast-paced, funny, and full of surprises, The Grimjinx Rebellion brings Brian Farrey's epic and critically acclaimed Vengekeep Prophecies trilogy to an unforgettable close. Jaxter Grimjinx and his family haven't had much time for thieving. Through no fault of their own, they've been too busy saving the day. But the danger in the Five Provinces is only just beginning. The Palatinate Mages are almost ready to unveil their master plan, and legendary monsters will soon roam the land once more. Then Jaxter's sister, Aubrin, is kidnapped by the Mages. It seems she has a power greater than her family ever realized, and she may be the key to the impending battle for the Five Provinces. Jaxter will do anything to get his little sister back—even if it means pulling off the greatest heist of his life and starting a full-scale rebellion. A rich fantasy (Publishers Weekly, starred review) with a family of thieves who couldn't be more likable (Kirkus Reviews), the Vengekeep Prophecies trilogy takes everything you thought you knew about prophecies and spins it into pure magic.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
