

The Apocalypedia: A utopian guide to what is and what isn't (Hardback)

By Darren Allen

GREEN BOOKS, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. Encyclopaedias and dictionaries are often boring, of no help when it comes to secretly filling train carriages with subversive balloons and they rarely manage to offend everyone.

Lexicographers assume that language is a big machine that you need an instruction manual to use, rather than a river of silvery ribbons that bursts out of your astonished mouth, or a spectacular instant tree that grows between people in collective surrender to something bigger than the both of us, or a slow lightning strike that pins you, howling with delight, to the sky, or some peculiar paradoxical state halfway between hard cold crystal- line structures driving us to a revolutionary, world-changing point, and mad hot erupting flowers of aimless joy. People who read dictionaries rarely snort soup out their nostrils in outrage, or nod with serene recognition at far distant and long estranged ideas suddenly flung together as mysterious friends, or feel gently inspired to fall in love with waiting forever, or seriously consider the only solution to heartbreak there is or possibly could be, or leave work to master horsemanship, or leave school to get educated, or...

Reviews

This is the finest book i have got study till now. It usually does not price a lot of. I found out this publication from my i and dad encouraged this book to understand.

-- **Jamil Collins**

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
