

## Lay Bare the Heart: An Autobiography of the Civil Rights Movement (Paperback)

Filesize: 7.54 MB

### **Reviews**

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

**LAY BARE THE HEART: AN AUTOBIOGRAPHY OF THE CIVIL RIGHTS MOVEMENT (PAPERBACK)****DOWNLOAD**

Texas Christian University Press, U.S., United States, 1998. Paperback. Condition: New. Language: English . Brand New Book. Texas native James Farmer was one of the Big Four leaders of the civil rights movement, along with Martin Luther King, Jr., Roy Wilkins and Whitney Young. Farmer might be called the forgotten man of the movement, overshadowed by King, who was deeply influenced by Farmer's application of Gandhi's principles of nonviolent protest. Born in Marshall, Texas, in 1920, Farmer was the founding director of the Congress of Racial Equality in 1942. Under Farmer's direction, CORE set the pattern for the Civil Rights movement by organizing sit-ins and peaceful protests, beginning with a 1942 sit-in at a coffee shop in the University of Chicago area. In *Lay Bare the Heart* Farmer tells the story of the heroic civil rights struggle of the 1950s and 1960s. This moving and unsparing personal account captures both the inspiring strengths and human weaknesses of the movement.
