Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

(Desmond Becker)

FRESH AIR AND THE STORY OF MOLECULE (PAPERBACK)

Carcenet Press Ltd, United Kingdom, 2012. Paperback. Condition: New. New. Language: English . Brand New Book. Fresh Air is an exhilarating, freewheeling ride through landscapes and languages. The poems, all written on the move (tramping the Gobi desert, cycling in Irish drizzle, paddling in Tonga) have the fizz of travellers tales, the enchantment and the melancholy of the open road. The Story of Molecule tells the tale of Molloy Gillies (Molecule), a semi-detached twelve-year-old who one night takes his bike from the shed and pedals off to escape Evolution. In Gallas comical, heartbreaking sonnet-picaresque, Molecule encounters dangers, kindness, police cars and mauri on the roads of the South Island, while his father, his aunt, a bathroom fitter and a police chief wonder what life, and freedom, are all about. Together, these two books explore a world newly discovered in the imagination: Imagine: in the atlas of my soul / I could not make a thing so lovely.
