Free Thinkers Media, United States, 2011. Paperback. Condition: New. New.. Language: English . Brand New Book ***** Print on Demand *****.In politics, everyone lies. Voters distrust everything they are told by politicians, the media and even their neighbors. Despite universal suspicion of news and opinion makers, very few people understand how political lies are created and thus most folk are unable to dissect spin and discover truth. Shooting the Bull details how all political falsehoods are created, why they work and how to detect them. Nowhere on the political landscape are more lies told than within the churning bowels of the gun control industry. Fighting America's revolutionary reluctance to submit and the public's continuing fear of criminals not currently incarcerated in Congress, voters have resisted legislative agendas proposed by The Brady Campaign, Violence Policy Center and the Clinton administration. For decades significant victories have eluded their ilk, leaving only one strategy with which to sway voters - lying. Shooting the Bull serves two purposes. First, it catalogs the common canards of politicians and activists. Readers will recognize how they have been psychologically scammed by special interests and deceived by elected sycophants. They will also experience disquieting revelations as they discover forms of fibs they had previously encountered but not recognized. By the end of the book, readers will be infinitely more cynical about politicians and propagandists and be equipped to dissect future electoral effluvium. The second purpose of Shooting the Bull is to document the deceits peddled by the gun control lobby. Each chapter is devoted to at least one major initiative proffered by anti-gun activists, exposing their falsities through dissection of their motives, methods and inconvenient facts. The art and science of political pretense is illustrated through Senator Dianne Feinstein's assault weapon ban, the Million Mom...
