Porter Publishing, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Many years ago and after experiencing all forms of abuse, I suffered from symptoms of PTSD, depression, anxiety, panic attacks, and suicide ideations and attempts as well as addictions and alcohol abuse. A Workbook and Guide to Releasing Pain Associated with Childhood Abuse will provide you with the framework and exercises needed to recreate your life via a technique called the REAR Technique (Recognize, Embrace, Accept and Release). The same work within this book is the same work I did to heal myself. The story connected to this workbook is my award-winning book, Perfectly Planned (Overcoming Incest, Rape, and Sexual Abuse).
