Negotiating When Money Matters: Getting Good Deals

By Lynnette Hartwig

Current Tech. Paperback. Condition: New. 264 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Negotiating When Money Matters provides a low-stress, ethical way to get lower prices when buying from contractors and custom shops. Most of us aren't Do-It-Yourselfers. We hire skilled technicians and contractors to work on our property. Negotiating When Money Matters gets you where you want to go: a great price, but better yet a respectful start, leading to a satisfactory outcome to your custom build or contract. Waiting for that too-high price to hit the light of day and then quarreling with it isn't an effective way to hire people selling their time and talents for a living. Instead, you can influence what the price will be before it lands on paper, steering it to the minimum possible amount. It works with any business, every time. In this book . . . The three things Businesses value more than money and how to use them to get the work for the cost of materials The ten types of risk that increase the price and how to counteract each one Why accepting his under-the-table kickback or freebie is good for him and sucks for you (which is why he does it!)

Reviews

Merely no words and phrases to describe. I am quite late in start reading this one, but better then never. I found out this ebook from my i and dad encouraged this pdf to find out.

-- Hyman Auer

I actually started out looking over this publication. It can be writter in easy phrases and never difficult to understand. Your lifestyle span will probably be transform as soon as you comprehensive looking over this ebook.

-- Prof. Dayne Crist Sr.
