Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Government Accountability Office, 2006 OCLC Number: (OCoLC)77116149 Subject: Foreign workers. Excerpt: . . . Countries may implement changes to existing immigration policies, including to reduce immigrant admissions or, conversely, to provide increased opportunities for legal immigration, based on different factors or events. Countries may revise their immigration policies to respond to external events, such as humanitarian crises in other countries or international conflicts by, for example, changing the number of refugees and asylum seekers admitted to the countries. Moreover, countries may strengthen their border control efforts, for instance, in response to increased illegal immigration flows from neighboring countries. Various economic and demographic characteristics are linked to Economic and countries immigration policies. In particular, studies have noted that Demographic Factors economic factors, such as unemployment rates, economic growth rates, Related to Immigration and the size of the underground economy, may affect countries 14 immigration policies. For example, high unemployment rates may limit the number of foreign workers countries admit, as unemployed native workers take jobs typically filled by foreign workers. Therefore, high unemployment rates in certain countries may encourage foreign workers to seek employment in other countries with lower unemployment rates. Likewise, studies have suggested that the relative difference in the size and growth of countries economies can affect immigration flows. Countries with large or fast-growing economies are attractive to foreign workers - including unauthorized immigrants. The employment of unauthorized foreign workers contributes to countries underground economies. The underground economy includes any employment in a country for which employers do not pay taxes or social insurance contributions and is thus composed of both unauthorized foreign wo. . .
