Pearson, 2014. Paperback. Condition: New. 5th ed.. Language: English . Brand New Book. Technical Communication Today remains the only text to fully centralize the computer in the technical workplace, presenting how writers use computers throughout their communication process. Each chapter places an emphasis on the activity of producing effective documents by following a process approach that mirrors how professionals communicate in the technical workplace and how students learn in the classroom. The text incorporates the newest technology-driven changes in workplace communication with in-depth discussions of email, instant messaging, working in virtual teams, making Web sites, blogging, podcasting, incorporating digital audio and visuals in documents, using PDAs, and negotiating ethical situations in electronic communication among many other available strategies and tools.
