P.S. .MA: CONVERSATIONS WE NEVER HAD (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When were you given your instruction manual for life? Where did you learn how your mind works, how your emotions bring you vital information and how you create your own reality? Who taught you how to manage relationships, how to discover and live by your values, how to be successful and how to discover your purpose and follow it? If, instead, you were taught how to do maths and science, how to play netball and swim, and given a whole load of facts that proved to be of little use in making a success of life, then p.s. Ma is for you. Begin the exciting journey into your internal world, and learn how to take control of your life and live it on your terms. Discover the power of your own mind and how to use it effectively, how to care for your body and spirit and how to have healthy relationships and a good work/life balance. This book is offered as an overview of what it took the author a lifetime to learn, how to create a life truly worth living.
