Many hundreds of thousands of years ago there was a terrible war in the universe. Many stars fell from the sky to other galaxies. Others were taken prisoners to different worlds, and corners of the universe. Several stars fell on planet Earth. Among those stars, was a very special, but a young star. With time, all those that fell prisoners were released and sent back including the ones that fell on Earth, but one. That one, was diluted in the waters of earth for thousands of years more. When Earth began to get organized, a spark of the star was introduced into an oyster. And the oyster wrapped it with her mother-of-pearl, and became a beautiful pearl.
