Laurence King Publishing. Paperback. Book Condition: new. BRAND NEW, Architecture: from Commission to Construction, Jennifer Hudson, This book provides an in-depth study of the creative and construction processes behind 25 leading contemporary buildings. Covering a broad range of international projects, the book illustrates the working methods and creative concerns of both long-established and emerging international architects. Every stage of each project is included, from the demands of the original brief, through early sketches and design development to investigation of building regulations and collaboration with engineers, contractors, builders and clients. Each project is presented through an explanatory overview, sketches, details, CAD renderings, models and construction shots, all captioned in great technical detail. "Architecture: From Commission to Construction" offers both students and professional architects an inspiring and informative overview of how today's major architectural projects are designed and built.
