HDTV For Dummies (2nd Revised edition)

By Danny Briere, Pat Hurley

John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, HDTV For Dummies (2nd Revised edition), Danny Briere, Pat Hurley, If you love movies, TV, and video games, then you've probably thought seriously about investing in a high-definition television set, otherwise known as HDTV. But before you run to your nearest electronic goods store, you should know what you're investing your hard-earned money in, which TV set is good for you, and other things that will optimize your viewing pleasure. HDTV for Dummies shows you everything you need to know about buying the right equipment, setting it up, and enjoying all the things you love about TV. It'll save you tons of confusion over this exciting new technology and tell you everything you need to know about terms, concepts, and the difference between HD and digital. This handy guide gives you the tools you need to: * Get connected with video and audio cables * Hook up your DVD player, VCR, PC, camcorder, and other fun stuff * Mount your HDTV * Receive HDTV programming * Understand the difference between HD DVD and Blu-ray disc players * Record with DVRs and VCRs * Install game consoles like PS3, Xbox...
