Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 50 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. In this extraordinary book the author has penned for the reader whose interests lead him into the curious by-paths of life a most energetic picture of Hasheesh, the winning rival of opium as a producer of visions of paradise. Indeed, upon its first appearance in a limited and privately printed edition, An Essay on Hasheesh evoked some notes of warning. If there is any caution to go with this monograph, it should be to keep it out of the hands of the neurotics, said one reviewer. We hope, wrote another, that Victor Robinsons delightful description will not unduly popularize the use of this drug. The unstinted praise of critics throughout the English-speaking world established the fame of the Essay and created a persistent demand which is now being met by a new and unlimited edition. Dr. Robinsons foreword will assure you that this edition is a word-for-word reproduction of the earlier private issue. This item ships from La Vergne, TN. Paperback.
