BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. For PR guru turned advice columnist Waverly Bryson, life is pretty sweet. She has an amazing job, a devoted boyfriend, and the best friends a girl could hope for. Things couldn't possibly be better or so she thinks until she receives an offer to turn her popular advice column into a regular guest spot on national television. The new gig means moving cross-country to New York to work for a woman who can't stand her, not to mention leaving her best friends Andie and McKenna behind while still missing her already-too-long-distance boyfriend, Jake. But Waverly wouldn't be Waverly if she didn't tackle these challenges head on, with all the zeal, good humor, and, yes, occasional catastrophe that devoted fans have come to expect from the American Bridget Jones. Witty, lighthearted, and fun, Honey on Your Mind is Waverly Bryson at her irrepressible best!
