By George Washington Miner

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Principles of Bookkeeping: Introductory Course, Illustrating the Journal Method of Closing the Ledger The modern business world demands of its employees economy and efficiency, and the commercial training in our schools, to be successful, must meet this demand of the business world by texts whose value is educational as well as practical. Such a text the authors have tried to furnish in this volume. Their aim has been an elementary book which shall present a simple, practical study of the basic facts of bookkeeping in a manner that will command the interest of the pupil and that will impress upon his mind the methods and practices of the office as well as the duties and technical knowledge and vocabulary of the bookkeeper and the accountant. The grading and development of the work, its classification, the terms used, and the forms adopted all have the same aim, - the making of an efficient, well-informed bookkeeper. To apply a principle is of far more practical value than the ability to define it, and in this text principles...
