MYTH AND LEGEND IN THE BIBLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Rafael Ferran (illustrator). Language: English . Brand New Book ***** Print on Demand *****.From the AUTHOR S NOTE. This is a book for ordinary readers. As a journalist, I have tried to make its story as plain and interesting as anything in the newspapers. The facts it contains will come as a great surprise to many people; but this is not because they are new knowledge - it is only because they have not been popularized. Though you may find them in the Home University Library and the People s Books, which two firms of publishers sell cheaply, one must be a student to dig them out. The truth about the Bible, a popular book, ought not to be so technically told. K. S. * * * * * A very readable study, mainly of the Old Testament narratives, showing the similarity between them and the Babylonian and other ancient traditions, and suggesting the basis of each. -The Open Shelf [1917].
