It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

Square Fish. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 8.2in. x 5.4in. x 0.7in. This groundbreaking book, first published in 1982, is the story of two teenage girls whose friendship blossoms into love and who, despite pressures from family and school that threaten their relationship, promise to be true to each other and their feelings. Of the author and the book, the Margaret A. Edwards Award committee said, Nancy Garden has the distinction of being the first author for young adults to create a lesbian love story with a positive ending. Using a fluid, readable style, Garden opens a window through which readers can find courage to be true to themselves. The 25th Anniversary Edition features a full-length interview with the author by Kathleen T. Horning, Director of the Cooperative Children's Book Center. Ms. Garden answers such revealing questions as how she knew she was gay, why she wrote the book, censorship, and the book's impact on readers - then and now. This item ships from multiple locations.
