Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

ANNEEE RENEWED

Xlibris. Paperback. Book Condition: New. Paperback. 120 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. On 911, America experienced the fright of its life. Suddenly we have become a terrorist magnet. From across the globe, terrorists are seeking to do Bin Ladens disappearing Twin Towers act one better. Infiltrating the Canadian border into Northwestern National Parks, terrorists plot entry into mainstream America and the destruction of our way of life. Anneee is a strong-willed young park ranger who confronts terrorists on her turf on her terms, with intuition and a sixth sense her only weapons. If Steven Kings character Carrie ever had a twin sister, but one inclined toward righteousness instead of evil, Anneee would fit the part. Anneee is realistic and spellbinding - a frightening look at what could happen if we let down our guard. Anneee is a charming ball of fire who draws the reader into a web of terror spanning Africa, the Middle East, Southeast Asia and North America. Timely as it is, Anneee is a story that will leave no reader unmoved, and the main character will capture your heart.
