

## Las Cadenas Alimentarias En El Desierto (Desert Food Chains)

By Katie Kawa

PowerKids Press, United States, 2015. Paperback. Book Condition: New. 211 x 208 mm. Language: English, Spanish . Brand New Book. Which animals and plants can survive in a dry desert environment? Readers learn about the living things that make up desert food chains, including cacti, snakes, and scorpions. Colorful photographs of desert life make readers feel like they're exploring new parts of this habitat with each turn of the page. Fact boxes provide additional information about the creatures that make up desert food chains, and a detailed food web shows how these food chains all come together. The desert is an extreme habitat, and readers will enjoy learning about the extreme plants and animals that live there.

### Reviews

*The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.*

*-- Chelsea Durgan PhD*

*I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
