BEST CARE ANYWHERE: WHY VA HEALTH CARE WOULD WORK BETTER FOR EVERYONE

BERRETT-KOEHLER, United States, 2012. Paperback. Book Condition: New. 3rd Revised edition. 213 x 140 mm. Language: English . Brand New Book. A Model for Health-Care ReformPhillip Longman tells the amazing story of the turnaround of the Department of Veterans Affairs health-care system from a dysfunctional, scandal-prone bureaucracy into the benchmark for high-quality medicine in the United States. Best Care Anywhere shows that vast swaths of what we think we know about health, health care, and medical economics are just plain wrong. And the book demonstrates how this extraordinarily cost-effective model, which has proven to be highly popular with veterans, can be made available to everyone. Also included are completely updated statistics and research, as well as examples of how the private sector is already beginning to learn from the VA s example. This important book describes the turnaround of the VA health-care system now widely recognized as leading the nation in terms of both quality and costs and offers insights that will be useful to patients and policymakers alike.
