Rembrandt's Paintings Revisited - A Complete Survey: A Reprint of A Corpus of Rembrandt Paintings VI (Paperback)

By Ernst Van de Wetering

Springer, Netherlands, 2017. Paperback. Condition: New. 1st ed. 2017. Language: English . Brand New Book. The question of which 17th-century paintings in Rembrandt's style were actually painted by Rembrandt himself had already become an issue during his lifetime. It is an issue that is still hotly disputed among art historians today. The problem arose because Rembrandt had numerous pupils who learned the art of painting by imitating their master or by assisting him with his work as a portrait painter. He also left pieces unfinished, to be completed by others. The question is how to determine which works were from Rembrandt's own hand. Can we, for example, define the criteria of quality that would allow us to distinguish the master's work from that of his followers? Do we yet have methods of investigation that would deliver objective evidence of authenticity? To what extent do research techniques used in the physical sciences help? Or are we, after all, still dependent on the subjective, expert eye of the connoisseur? The present book provides answers to these questions. Prof. Ernst van de Wetering, the author of our forthcoming book which deals with these questions, has been closely involved in all aspects...
