HarperCollins Publishers Inc, United States, 2012. Paperback. Condition: New. Enlarged edition. Language: English . Brand New Book. Winner of three Oscars and the highest-grossing film of its time, Jaws was a phenomenon, and this is the only book on how twenty-six-year-old Steven Spielberg transformed Peter Benchley's number-one bestselling novel into the classic film it became. Hired by Spielberg as a screenwriter to work with him on the set while the movie was being made, Carl Gottlieb, an actor and writer, was there throughout the production that starred Roy Scheider, Robert Shaw, and Richard Dreyfuss. After filming was over, with Spielberg's cooperation, Gottlieb chronicled the extraordinary yearlong adventure in The Jaws Log, which was first published in 1975 and has sold more than two million copies. This expanded edition includes a photo section, an introduction by Benchley, and an afterword by Gottlieb that gives updates about the people and events involved in the film, ultimately providing a singular portrait of a famous movie and inspired moviemaking.
