THE SANDBOX THEORY

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What does it truly mean to be rich? To own and control assets or to find richness in spirit, Sid needs to know. Plagued by spiritual voices, he sets out on a search for a new investment schema, an improved personal definition of wealth. Inspired by a gym bag toting hitchhiker who says yes I am wealthy and a grandfather s stories of coming with nothing to the new world, Sid makes a decision to listen more intuitively to relatives at a family reunion. Cousin Ryan just loves to go fishing and leaves all finances to the whim of lottery tickets while his brother Franco, a successful businessman, scoffs. Cousin Amy follows the blissful glamour of a television idol, while Sid struggles to understand his sister Jo s choice to live the life of a starving artist. After the reunion, Sid is left with a range of new investment options. Over the next five years, Sid hears real world tales of revelation. The drinking uncle comes for a visit, having found the God of AA. Amy tells Sid of her trip to California where she visited her television hero s utopia and their California cousin living in family ocean...
