Andrews McMeel Pub. Paperback. Condition: New. 128 pages. Dimensions: 8.9in. x 8.8in. x 0.4in. Shermans Lagoon is popular because its funny-not just cute or silly, but truly laugh-out-loud funny. As in many other great cartoons, the main protagonists are animals; however, the residents of Shermans Lagoon also are genuine, well-developed characters, complete with personalities, moods, neuroses, and their own unique points of view. Whimsically rendered yet written with sophisticated, edgy humor, Shermans Lagoon has garnered a large, loyal, and diverse fan base. Welcome to the world of Shermans Lagoon! Sherman is a carefree shark; hes carefree because he doesnt know any better. Fillmore the Sea Turtle, Shermans sidekick, is a philosophical sort who does what he can to make up for Shermans lack of sense. Ernest is a fish of indeterminate species with the technical savvy and dubious intentions of an ace computer hacker-in fact, he is one. Shermans wife, Megan, possesses a ruthless yet nurturing nature. Hawthorne, the macho hermit crab, is not actually a hermit, but he is actually crabby. Thornton is an expatriate polar bear who drifted into the tropical lagoon on a wayward iceberg and decided to stay. Captain Quigley, the token human (or hairless beach ape in the local dialect), is bent on Shermans destruction. This ambition may be traced to the fact that Quigley is a crusty old fisherman and Sherman is a fish. Or it may be traced to a long-ago incident in which Sherman ate Quigleys leg! In addition to satirizing human behavior, Sherman and his friends occasionally have to contend with the threat of encroachment by the beach apes on their unspoiled tropical home. The strip has been lauded by activist groups for promoting the importance of marine conservation. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN....
