CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 28 pages. Dimensions: 9.0in. x 6.0in. x 0.1in.They look so dull and dowdy in the spring weather, when the snow drops and the crocuses are putting on their dainty frocks of white and mauve and yellow, and the baby-buds from every branch are peeping with bright eyes out on the world, and stretching forth soft little leaves toward the coming gladness of their lives. They stand apart, so cold and hard amid the stirring hope and joy that are throbbing all around them. And in the deep full summer-time, when all the rest of nature dons its richest garb of green, and the roses clamber round the porch, and the grass waves waist-high in the meadow, and the fields are gay with flowersthey seem duller and dowdier than ever then, wearing their faded winters dress, looking so dingy and old and worn. In the mellow days of autumn, when the trees, like dames no longer young, seek to forget their aged looks under gorgeous bright-toned robes of gold and brown and purple, and the grain is yellow in the fields, and the ruddy fruit hangs clustering from the drooping boughs, and the wooded hills in their thousand hues stretched like leafy rainbows above the valeah! surely they look their dullest and dowdiest then. This item ships from La Vergne,TN. Paperback.
