THIS BOOK IS SUITABLE FOR ADULTS ONLY AS IT CONTAINS SOME GRAPHIC DETAILS OF MISCARRIAGES AND TRAUMA THAT MAY NOT BE SUITABLE FOR YOUNGER READERS *** Sometimes life can be so unbearably hard that we imagine that it must be like this for a reason. As individuals, we often focus on loss, rather than what we have gained as we have gone through life, but there is always hope. Accepting Joy Through Loss is a book which tackles the issues of loss for one woman. Through dealing with the loss of her best friend at a young age, her father leaving the family home, multiple miscarriages and relationships which were never going to work, S.L. Phillips weaves a story of heartbreak and loss, hope and ultimate salvation. In a tumultuous story of self-loathing and self-harming that threatened to wreck a young life and send it spiralling into a pit of despair it would never be able to emerge from again. But with every loss there is an equivalent joy. It just needs to be recognised and nurtured so that it can take the place of the negative things and set you on the path to a happier future. That s what Accepting Joy Through Loss is about and that s why you should read it now. You too, could make a real difference in your life. You have the power within you to change everything!.
