ABC-IQ, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Great teachers force us to question. Great teachers force us to think, to seek understanding, to seek truth. Jesus, Mohamed, Buddha, Confucius, Abraham, Krishna and many others have taught us that there is something beyond all of us, but what is that energy, what is that truth? Where does it come from? Was that energy that was something that was beyond me, or could I access this energy all the time? When we have the death experience are we finished or are we infinite? Theology teaches us that I AM created in the likeness of God, there is no death and that life is eternal. What does that really mean? Have you ever really thought about it? What I learned is that nothing JUST happens. Like the domino effect, everything is inter-connected! One thing impacts another and everything impacts you! What is truth? What is culture? Why do I have emotions? What is energy? How is energy created? How is life experience created? What is your intuition? Why do I have tears? Albert Einstein once said, Everyone is a genius but if you judge a fish on its ability to climb a tree, it will live its whole life believing it is stupid. I AM a product of an education model that did not work for my style of learning. I spent many years fighting off a feeling of not being good enough because of my inability to read and write to the standard of other kids when I was young. I questioned a lot of things, and some things, I just accepted because I didn't have the life experience to compare my thought to anything different. Words did not teach me, applying...
