Since his brother Liam failed to reclaim the priceless heirloom that could save their ancestral Scottish estate, it's now up to Grif to find it -- among the lords and ladies of fashionable London society. Disguised as a Scottish earl, Grif attends the most glittering balls, hunting for the woman who is rumored to possess his family's treasure. Along the way he catches the eye of Anna Addison, a highborn young woman whose sharp tongue and even sharper wits have limited her marital prospects but enable her to detect Grif's deception. Determined to find a husband this Season, Anna draws Grif into a scandalous bargain: She will deliver his precious heirloom -- and keep secret his true identity -- if Grif can teach her how to seduce a man and win his heart. Well aware of what a man wants from a woman, Grif reluctantly instructs her. Soon Anna is besieged by suitors and Grif's exasperation with the troublesome beauty turns into heated desire. With time running out, Grif commits a reckless act in order to claim not only his treasure, but the passionate woman he believes is his and his alone.
