

## What Is Sustainable: Remembering Our Way Home

By Richard Adrian Reese

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 340 pages. Dimensions: 9.0in. x 5.5in. x 1.1in. A hurricane called Peak Everything is rapidly approaching, and we are not prepared for it. Looking through doom-colored glasses, the future appears turbulent and chaotic, for obvious reasons. But when we switch to rose-colored glasses, its thrilling to see that dawn is breaking out all over. A dysfunctional way of life is dying, and this opens up a wide variety of new possibilities, some of which could lead to a genuinely sustainable future. No matter what we do, the Earth will heal. It will heal if we self-destruct, and it will heal if we remember healthy values and lifestyles. Are we capable of intelligent change Yes. But problems that took centuries to create will not be resolved in a single generation. The purpose of this book is to encourage the healing process, to propose important questions, and to examine our reality from a different perspective. One thing is certain: the future demands a radically more intelligent worldview and skill set and a genuinely healthy future will have little in common with the way we live today. The four directions of...
