Weakened constitutional rules allow the police to waste precious resources on useless intelligence gathering and frivolous arrests. The criminal courts act less as impartial adjudicators than as conveyor belts from street to prison in a system that some disillusioned participants have nicknamed McJustice. There is, always, a human cost. Shipler shows us victims of torture and abuse not only suspected terrorists at the hands of the CIA but also murder suspects interrogated by the Chicago police. We see a poverty-stricken woman forced to share an attorney with her drug dealer boyfriend and sentenced to six years in prison when the conflict of interest turns her lawyer against her. We meet high school students suspended for expressing...
