Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

The resources of the library were opened to the entire student body with the beginning of the second semester, the library hours having been from eight to nine in the morning and four to five in the Afternoon daily and from nine to twelve on Saturday mornings. Because of the very heavy schedule of work, students have not used the library as extensively as they otherwise would. Some seminar work was carried on in the library occasionally during the year. Respectfully submitted, Frederick J. Wulling, Dean THE SCHOOL OF CHEMISTRY To the President of the University: Sir: I herewith submit my report as Dean for the year 1916-17: Building. --As pointed out in my previous reports, the new laboratory was left in an unfinished condition in spite of the fact that practically all of the equipment from the old laboratory was installed in the new. This was made necessary on account of lack of funds. While the new building is equipped so as to carry on regular laboratory work in a fairly satisfactory manner, there are some pressing needs, especially for the completion of all the building equipment. The small appropriation made by the last Legislature will enable us to supply some of the pressing needs. Apparatus and chemicals. --Notwithstanding war times and the practical exclusion of nearly all materials formerly obtained from Europe, we have suffered less for want of these...
