### **Reviews**

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

Having no friends, no boyfriend, and worst of all being bullied-graduation was the only thing she looked forward to. After graduation, she completely reinvents herself becoming the person she always wanted to be. Someone different. Changed. When she gets to college, she easily makes friends, boyfriends, and loves life. For once in her life, she adores the person she has become. Enter Campbell Boyd -the attraction between them is instant. He is sexy as hell. Sweet, romantic, flirty. He definitely knows how to treat a woman in and out of the bedroom. Once he has his sights set on Kenz, there is nothing that will stand in his way. Or maybe there is something that could ruin it all? One small detail that Kenz tries desperately to ignore-one that can only be swept under the rug for so long. What happens when the past and present collide and secrets are revealed? Is it possible to forgive or will it destroy them both? One thing s for sure-things are going to change.
