Oxford University Press, United Kingdom, 2016. Paperback. Condition: New. Patrick Miller, Tim Gibson, Tom Humberstone (illustrator). Language: English . Brand New Book. Project X Origins Graphic Texts can help children to reach higher standards in comprehension. This exciting poetry collection, told in graphic form, makes poems come alive for a modern audience. Each poem is presented in both in graphic and text-only versions. There is music in the midst of desolation. This emotive collection of poems looks at the harshness of life in the trenches during the First World War, the brutal battlefields of the American Civil War and the senseless charge of the light brigade in the Crimean War. This book also contains notes on the inside front and back covers with advice on supporting older children with their reading, ideas for follow-up activities and higher-level comprehension questions.
