Reviews

Excellent e-book and useful one. It can be rally intriguing throgh looking at time period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Pasquale Klocko)

PAINT BY STICKER

Paperback. Book Condition: New. Not Signed; Paint by Sticker is a compelling new craft for all ages, and the book includes everything you need to create 12 vibrant, full-colour paintings -a dozen illustrated templates printed on perforated card stock, and 24 pages of stickers to fill in and create the artwork. The images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3-D effect. As in paint-by-number, each template is divided into hundreds of spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next-it's an activity that's utterly absorbing, both in the mindful pleasure of peeling and sticking and the growing satisfaction of watching a painting come to life, emerging from a flat black-and-white illustration to a dazzling image with colour, body, spirit. Still life with fruit. A classic urban landscape. Sunflowers, of course. Two rowboats on a peaceful lake. A dynamic hummingbird in mid-flight. Each suitable for framing. book.
