Wipf Stock Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: I am not like Hudson Taylor, David Livingstone, or William Carey. The stories of these people are inspiring, but they also make me question, Am I really good enough to be a missionary? Because I don't consider myself super-spiritual like these missionary heroes seem to be. Ordinary Missionary introduces world missions through the story of an ordinary family facing ordinary questions about their own insecurities and inadequacies. Step into the shoes of three authors who combine their thoughts to put a face, a feeling, and a person to contemporary missions. Join Jay, husband and father, as he prepares to minister among the Builsa people in Ghana, West Africa. Observe Pam, wife and mother, as she addresses the personal concerns of the family. Follow Emily, oldest daughter, in the struggles and joys of being a missionary kid. This story is not a triumphant tale of missionary heroes. The real heroes show up in unlikely places when they are least expected. Our steps are ordinary, but the journey is beyond extraordinary. These real stories will inspire you to trust your own life in the hands of our extraordinary God. Endorsements: Stories and relationship--what a marvelous way to learn! As you enjoy the Moon family stories, not only will they become dear friends, but you will also gain insight into vital lessons in practical missiology. This is a captivating introduction to missions, built on the stories of an ordinary family on mission with God. It will open the eyes of the missionary novice and warm the heart of the cross-cultural veteran. --Steve Strauss, Department Chair and Professor of World Missions and Intercultural Studies, Dallas Theological Seminary Ordinary Missionary is an inspiring account...
