Period Property Manual: Care Repair of Old Houses (Hardback)

By Ian Rock

HAYNES PUBLISHING GROUP, United Kingdom, 2015. Hardback. Condition: New. Reprint. Language: English . Brand New Book. Britain has a wonderfully rich stock of period houses - everything from medieval cottages to Georgian townhouses and Edwardian mansions. But many of these historic properties are now at risk. Some are unwittingly damaged by well-meaning owners or incompetent builders; others suffer long-term deterioration where mortgage lenders have imposed quick-fix remedies . Despite being some of the most sustainable buildings on the planet, many old houses are now being subjected to ill-advised works to upgrade thermal efficiency, resulting in the destruction of the very qualities that make them so appealing, slashing their values. Haynes have come to the rescue with this clearly written, lavishly illustrated manual explaining the correct approach to care and repair - covering the full range of traditional materials. Every old house has a story to tell, so Haynes also show how to explore your home s history and strip back modern finishes to reveal long lost original features. This comprehensive manual is essential reading whether you want to get your hands dirty or just want to understand how old houses work and how to go about employing specialist craftsmen.
