Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

OUTDOOR PASTIMES OF AN AMERICAN HUNTER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Outdoor Pastimes of an American Hunter While a man is known by the friends he has, he is judged by the friend he is, and it is during the hours of his relaxations, and the periods of vacation from his routine work, that a man s personality is seen and judged by his friends. His public acts, if he be in public Office, are readily understood by them as the logical consequence of the characteristics they have learned to know, and have seen expressed in his hours of relaxation. By the great mass of the people of the United States Theodore Roosevelt was judged only by his public life, and the expression of his personality was seen through his fulfilment of public office. Fortunately for the traditions concerning him, soon after his death the book, Theodore Roosevelt s Let ters to His Children appeared, which moulded those traditions nearer reality than they ever otherwise would have been, for the majority Of men who had judged him by his public career alone, saw then in these letters the real personality with all the charm of its human quali ties. It would seem in the introduction to one of the books, which contains the records of trips taken by him for re laxation, or his short essays describing his observations and his thoughts at these times, that it would be most fitting to consider Theodore Roosevelt as a companion.
