Your Route To Success, is much more than a how to guide; to buy, own, and operate a route business. The book is about my own, hands-on experience so it's personal, real, practical, honest and sincere. How I managed to buy, own, and operate the route business for twenty-one years, and of all places (the capital of the world N. Y. C. ). Remember the famous saying; If you can make it here, you can make it anywhere. Throughout the book my message is, to inspire, motivate, empower, and give a practical advice, as well as steps for the reader to take to succeed and improve his way of life. As route owner, just imagine for a moment, that for the next ten, twenty years, or more you no longer have to be concerned about job and income security, for you and your family. Having that peace of mind is priceless, especially in today's economy and job market. How about the freedom and independence in deciding how many days and hours you want to work, and the kind of life you wish to build for you and your family. In most cases route business is an already established business, so it provides immediate and secured steady income. Over many years the route business has been very good to me, and my family. In writing this book is a way of giving back, to the business that I love. It just might be the perfect small business for owner-operator. True success in life is; When people benefit from your actions. My wish and hope is to help individuals who are hardworking, disciplined, responsible, self-starters, who believe in self-reliance and...
