Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CIRCLCD WITH STONE: EXETER S CITY WALLS, 1485-1660 (HARDBACK)**DOWNLOAD**

UNIVERSITY OF EXETER PRESS, United Kingdom, 2003. Hardback. Condition: New. New.. Language: English . Brand New Book. Winner of the Devon Book of the Year Award 2003, Circlcd with Stone is the most comprehensive study to date of the fortifications of an early modern English city. The culmination of some twenty years of archaeological and documentary research, it provides a richly detailed portrait of the ancient system of walls, towers and gates which ringed the city of Exeter during the Tudor and early Stuart periods. The book traces the development of the fortifications over time, explores the many purposes which they served, and shows how they were defended against a series of major attacks: most notably during the Prayer Book rebellion of 1549 and the English Civil War. The text is accompanied by a series of extensive transcripts from Exeter s matchless civic archives, including two newly-discovered documents relating to the Prayer Book rebellion. The book includes a wealth of illustrations and brings together, for the very first time, colour reproductions of all the early maps of Exeter, as well as a series of specially commissioned photographs of the city walls today. Designed to be accessible to the general reader, as well as to the specialist, Circlcd with Stone paints a uniquely vivid picture of the role which urban fortifications played in everyday life in one of early modern England s greatest cities. Richly detailed, fully illustrated and accessible to the general reader as well as of interest to historians and archaeologists.
