

Discourse on Voluntary Servitude: The Politics of Obedience (Paperback)

Filesize: 3.92 MB

Reviews

The publication is fantastic and great. It can be rally exciting throgh reading period of time. I am just very happy to inform you that this is the greatest publication i actually have read in my very own daily life and could be he very best ebook for at any time.
(Prof. Alvis Wuckert)

DISCOURSE ON VOLUNTARY SERVITUDE: THE POLITICS OF OBEDIENCE (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discourse on Voluntary Servitude Discours sur la servitude volontaire Etienne de La Boetie La Boetie s essay against dictators makes stirring reading. A clear analysis of how tyrants get power and maintain it, its simple assumption is that real power always lies in the hands of the people and that they can free themselves from a despot by an act of will unaccompanied by any gesture of violence. The astounding fact about this tract is that in 1948 it was four hundred years old. One would seek hard to find any writing of current times that strips the sham from dictators more vigorously. Better than many modern political thinkers, its author not only reveals the contemptible nature of dictatorships, but he goes on to show, as is aptly stated by the exiled Borgese, -that all servitude is voluntary and the slave is more despicable than the tyrant is hateful.- No outraged cry from the past or present points the moral more clearly that Rome was worthy of her Nero, and by inference, Europe of her present little strutters and the agony in which they have engulfed their world. So appropriate to our day is this courageous essay that one s amazement is aroused by the fact that a youth of eighteen really wrote it four centuries ago, with such far-sighted wisdom that his words can resound today as an ever-echoing demand for what is still dearest to mankind.
