

The Force Within (Paperback)

By Joann R Corley

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Force Within This simple handbook lays the foundation for living from and leading from the inside-out. It will help you identify and bring value to the energy and life force that you need to use front and center in your life. It is in fact the guide and source to great happiness and life satisfaction. This handbook can be used for both personal and professional development and is for both individual contributors and corporate leaders. Make no mistake about it; anything that is accomplished personally and professionally, individually and with a group requires a force of some kind. It is my firm belief that seeing and understanding this is essential to getting the outcomes we want in any area of our lives. It s also necessary if companies want to be and stay competitive. In my view force equals profits. And the source of profits begins with the force of each individual employee. So many leaders have no clue how to access or leverage this force. In fact I ve witnessed many who squander, sabotage, and suppress this force,...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
