Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Aino Folk-Tales Over most of the country of these rude and helpless indigenes the Japanese have long Since spread, only a dwindling remnant of them still inhabiting the island of Yezo. Since the early days when a couple of them were sent as curiosities to the Emperor of China their uncouth looks and habits have made them objects of interest to more civilised nations. Many European writers have described them, but hardly any with such opportunities as Mr. Basil Hall Chamberlain, Professor of Philology at the tokyo University, who has taken down from the Ainos the present collec tion of their tales, and prefaced it with an account of their ways and state of mind. It would hardly be for me to offer information on a subject so excellently handled, but the request of the Editor of the folk-lore Journal that I would write an Introduction enables me to draw attention to the views put forward by Professor Chamberlain in another publicationfi which, being printed in Japan, may be over looked by many English folk-lore students, even of those interested in the curious Aino problem. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
