*A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Duy Truong (illustrator). Large Print. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. From the acclaimed Wurtherington Diary Series comes this delightful full color Victorian Age ABC book. Two books are included, Starry Flagg ABC and Nursery Land ABC. A bonus cover gallery is included that includes ten fully restored covers from Father Tuck s ABC books. In book six, Tammy writes in her diary, As you might imagine, an opossum, a mongoose, and a bird cannot read at all; although I had taught Zeke and Cedric to write their names. They had learned the first four letters of the alphabet from an ABC book Lord Wixby had given me. I was proud of them. After all, how many animals would ever want to read? Several books were discovered in the shed along with the Wurtherington diary. We imagine that Tammy used this book to teach Cedric and Zeke to read. We have partially restored it to its Victorian beauty. We did keep the withered pages partially intact as we wanted the reader to experience the joy of viewing the book as would any modern-day collector. We hope that children may learn and enjoy from it. Look for other ABC books in this vintage 1883 series. Art is in public domain as it was published over 100 years ago. We will be restoring several ABC books and listing them here as they would make wonderful art for any child s bedroom wall. The Mc Loughlin Bros. were active from 1828 to 1920, the New York publishing firm Mc Loughlin Brothers pioneered color printing techniques for children s books.
