Lavish Publishing, LLC. Paperback. Condition: New. 122 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. It was supposed to be a vacation, a time to save her marriage, but what Joan Clayton hadn't counted on was Murphy's Law of Vail Mountain and the secrets that had damaged her marriage beyond repair. It was over. Depressed and angry, she decided to venture directly into an oncoming snowstorm, one that would be known as the blizzard of the century. Stephen Brockheart received the call concerning a missing tourist after working 26 hours straight. A park ranger for the mountain resort, he set out on the routine mission, knowing he was running out of time as the blizzard hit with visibility zero. What he hadn't counted on was saving a beautiful woman and falling for her, a city girl who knew nothing about the dangers of the mountain. He had been there before and vowed never to return. As Mother Nature raged, Joan was soon overcome by the feelings a complete stranger evoked in her, causing her to reevaluate her own life. Through the blizzard and stranded at the resort, death was imminent for any who would try to leave. Despite loss and secrets, can two people find love and happiness again? Can they be given a second chance to make it real and lasting, or will that chance die with them? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
