

## Openwork: Poetry and Prose (Hardback)

By Andre Du Bouchet

Yale University Press, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. A career retrospective of poetry and prose works by one of the under-recognized giants of French literature Andre du Bouchet, a great innovator of twentieth-century letters, has yet to be fully recognized by a wide circle of international readers. This inviting volume sets out to remedy the oversight, introducing a selection of du Bouchet s poetry and prose to English-language readers through the brilliant translations of Paul Auster and Hoyt Rogers. Openwork showcases pieces from the author s entire trajectory, beginning with little-known pieces from the 1950s, followed by major poems from the 1960s, and concluding with works written or rewritten in the poet s later decades. Throughout his life, du Bouchet devoted himself to long walks in his beloved French countryside, jotting down entries in notebooks as he rambled. These notebooks-more than one hundred all together-have emerged as signal works in their own right, and their musings are well represented in this anthology.
