Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. I am delighted to explain how this is the best book I have ever studied in my personal lifestyle and might be the best PDF for ever.

Heinemann Educational Books, United States, 2010. Paperback. Book Condition: New. New.. 231 x 185 mm. Language: English . Brand New Book. This is kids ticket into an utterly different kind of vocabulary learning-an energy-juiced, falling in love with words. I wish I were back in school again, and my teacher had read this book. -Ellin Oliver Keene Any teacher who has challenged a sunny day with the phrase vocabulary lesson only to see a dark cloud descend over the room knows that students can be downright word resistant. Break out of the vocab doldrums once and for all with High Definition, a whole new approach to vocabulary instruction that s not just effective, but energizing, sociable, and fun. When kids envision a word as if it were a real person, with a unique voice and personality, they forever imprint the meaning of the word into their memories. Vocabulary lessons become anything but dull, and still blend seamlessly into your writing objectives. Veteran teacher-authors Sara Holbrook and Michael Salinger offer a powerful formula for getting even the most reluctant kids into the act: Well-chosen Words + Collaborative Discussion + Genre Writing + Performance = Strong Vocabulary Students are first given a choice of vocabulary words, then collaborate with their peers in small- group brainstorming discussions that lead to writing exercises in a variety of genres. Finally they share their work aloud, building community and understanding throughout the classroom. Everything you need to put High Definition into action is included: - Sample word lists give you an immediate starting place for choosing vocabulary words - Collaboration Cheat Sheets offer instant pre-write organizational help - Clear explanations of each genre include ways you can build on what kids already know in their lives - Student samples throughout provide inspiring examples of how students...
