Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Official Catalogue and Price Lists on Public and Domestic Art Glass Lishing this extensive Catalogue of our work, we fully realize it is welcome with all architects and builders of culture. Con trary to the usual character or catalogues we have published not the cheapest we make only, but have tried to give as much variety of style and treatment, especially of that class of work which is more decidedly entitled to the name of art Glass. Art glass has made great strides in the last few years, and the dendand for fine and really artistic work has been noticed clearly, and in response to this improvement of the wants of the building public, we have issued this book, which we trust will be kept and guarded by you as a valuable book, and with the sin cere hope that it may be of some use to you and benefit to us. Especi ally the finer grades of art glass, figure work especially, has received great recognition and to-day we are in a position to render any figure subject in glass without losing much of the softness of canvas. Contrary to the usual custom of pricing the design high and sell by discount, we have marked each one in the price list with net prices, thus enabling anyone receiving this book to know the cost of any window without troubling himself with the discount arithmetic. In doing this we realize that we give our competitors a great advantage of underpricing our designs. But, we have partially counteracted this by copyrighting this entire book, fully resolved to make unreserved use of the protection of the copyright law of the U. S. Besides...
