Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The term junk science refers to faulty scientific research and/or data analysis. When we are forced to believe scientific reports that are based on faulty research or analysis, it is wrong to expect the masses to accept what amounts to nothing more than junk science. In terms of medicine today, if there exists a strong parallel to junk science . and it...
